

【Security seals applied from October 1st, 2011】

We will put new security seals to products manufactured after October 1st, 2011.
We plan to change a design of the security seal about once a month. Please see pictures shown below for more details.

↓ . Security seal used for the products manufactured after October 1, 2011

↓ . Security seal used for the products manufactured after November 1, 2011

↓ . Security seal used for the products manufactured after December 1, 2011

↓ . Security seal used for the products manufactured after January 1, 2012

↓ . Security seal used for the products manufactured after February 1, 2012

↓ . Security seal used for the products manufactured after MM DD, 2012
