【Notice on countermeasures against imitations of HARVES products manufactured overseas】

We appreciate your purchase of our products. As you may know, we have started taking countermeasures against imitations for DRYSURF and HI-LUBE products manufactured after July 25th, 2011 except some goods. We would like to start taking countermeasures against some of our goods manufactured overseas (CMZ products).

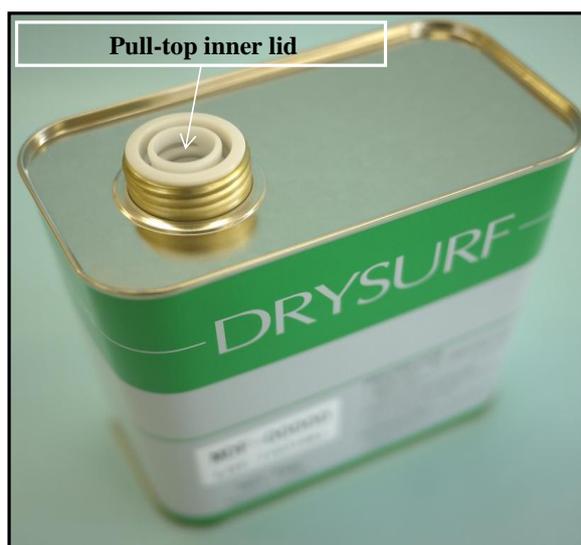

【DRYSURF except special containers (polyethylene bottles)】

・Countermeasures will be applied to our goods manufactured overseas (CMZ products)

Sealed by a security seal (Type D, green) for the goods manufactured from March 1st, 2012

Pull-top lids is used for the goods manufactured from September 1st, 2011

* In general, we use the same kind of security seals for the goods manufactured overseas as we use for the goods manufactured in Japan. However, security seals from previous month might be used for the goods manufactured overseas depending on production schedules.
