**Notice of improvement of cushioning material for DRYSURF / HI-LUBE**

Please be advised that the cushioning material will be changed from newspaper to inflatable air cushions as shown below. The reason for this change is to preserve resources and to improve work efficiency.

Products to be applied: Shipping box for DRYSURF and HI-LUBE

Air cushion material: LPDE (Low-density polyethylene)

Current	After
	
<p>Rolled-up newspaper is used to fill out the space</p>	<p>Air cushion will be used instead</p> <p>No damage under low pressure or shock during transportation: Confirmed through transportation test (NRT-HKG air flight)</p>

《Effective date》

Effective from **shipment on September 1<sup>st</sup>, 2014**
